VIBE- Adult Brainstorming Session

On June 15, 2009 Council Member Steve Cohn and the VIBE Youth Leadership Board hosted VIBE's first ever adult brainstorming session. The outcomes from this meeting are listed below:

- **Over 35 adults attended the brainstorming session.**
- **Attendees committed to volunteering 67 hours per month to support VIBE.**
- **A dozen adults expressed interest in becoming youth committee mentors who specialize in areas such as marketing, communications, and public relations.**
- **Council Member Steve Cohn, Police Captain Dan Schiele, and Construction Managers of Davis Reed Construction expressed interest in serving as a VIBE Board Member.**
- **The "Who Do You Know" session resulted in over 30 referrals to businesses and organizations with the potential to financially support VIBE.**
- **VIBE also gained valuable feedback and fresh ideas related to the budget and fundraising strategies**

Many of the ideas that were shared with the VIBE Youth Leadership Board will be integrated into the business plan and overall strategies moving forward. The VIBE youth are very appreciative of all the adults who stepped up to support their vision for a youth lounge and career center.
